Glenorchy Community Hall

to hear

Jeffrey Bale

garden designer & stone artist

talk about his work and upcoming
Braided River project at Camp Glenorchy

Hosted by Mrs Woolly's General Store

Jeffrey Bale is a builder of fine gardens and mosaics, and a native of Portland, Oregon, USA. His work is inspired and heavily influenced by the beautiful places he travels to around the globe. Everywhere Jeffrey goes he documents this beauty with an eye for how they were made and why. There is a story behind every design, and he particularly enjoys when art works in harmony with nature.
