Come along to a public singing workshop to meet the SING IT TO MY FACE team, learn more about the project and have a sing. If you are interested in performing, this is your chance to find out what the show is all about and how you can be involved. SING IT TO MY FACE will be performed as part of the Festival of Colour in April 2017

Created by Wellington based theatre company Barbarian Productions, *SING IT TO MY FACE* is an inter-generational confrontation on stage, laying bare how we really feel about each other in our modern world. Led by Jo Randerson (Barbarian Productions) and Julian Raphael (Community Music Junction) *SING IT TO MY FACE* draws out the murmured sentiments that different age brackets hold towards each other but do not say out loud, weaving them into a dynamic choral performance.

This innovative music theatre project is part of the 2017 Festival of Colour and features volunteer local singers – we need you!

If you are unable to attend the workshop but are interested in getting more information about the show then please get in touch to register your interest.
