

# Glenorchy stoat trapping workshop

**Been trapping stoats? Want to trap stoats, but not sure where to start? Come along to the Department of Conservation Glenorchy trapping workshop.**

Local Biodiversity Ranger Ed Waite will cover a range of topics, including stoat ecology, an overview of the DOC trap network, how to best lay out trapping networks, and the latest DOC field trials.

There will be plenty of time for questions, and traps on hand to try out over a cup of tea and biscuits, kindly provided by the Routeburn Dart Wildlife Trust.

**Date: Tuesday July 14th**

**Time: 7pm**

**Location: Glenorchy Hall**

**Contact: Ed Waite**

**Ph: 442 6517 / email: [ewaite@doc.govt.nz](mailto:ewaite@doc.govt.nz)**
