A great attitude is paramount. You must be guest focused with a passion for providing great service and have a great attitude. You will display a willingness to learn among a highly awarded, motivated and experienced team at the lodge.

You will be able to follow direction and to work unsupervised, and you must be a team player.

This is an exciting opportunity to be part of an internationally recognised and award winning luxury lodge with a 'family' work culture.

Accommodation is provided depending on seasonal availability in fully furnished four bedroom staff houses in Glenorchy. All linen can be provided. Glenorchy is 40 minutes drive from Queenstown. Your own transport (car or motorbike) is a necessity, as is a current working visa if you are a non resident, and your work visa must be valid until the end of May 2017 or beyond.

Please send applications with a cover letter, full C.V. and current references to:
