## **School News**

**Thank you for attending the Goal Setting Interviews last week.** It is really helpful to meet so early on in the year so that we can plan individual goals for students together. It also gives an opportunity to share information that can help with your child's learning over the first term. As always, you are more than welcome to make an appointment with the teachers at any time during the year to discuss your child's learning.

We have been really impressed with the way the children have settled quickly back into school routines and their learning this year. Both classrooms have started the year by reviewing our School Values of Kindness, Responsibility, Respect, Resilience and Honesty. Our 'Student of the Week' awards highlight examples of our school values being modelled. The staff have noted several examples already which we share with the students on a Friday morning.

**Our school swimming programme continues next week.** All the children are making fantastic progress which is great to see. We ask that the children continue to bring their togs to school everyday for the foreseeable future.

**Today Anna van Riel came to Glenorchy to perform her show "Waste Free Wanda".**

It was an informative show on how we can reduce our single-use waste. The children really enjoyed the show and took a lot away from it.

**We are looking forward to a visit from the Queenstown based Mandarin Language Assistant on Monday 24 February.** She will work with both classes focusing on the Chinese New Year. It is likely that she will come out to Glenorchy periodically throughout the year, when her timetable allows, to teach Mandarin to our students.

**Gymnastics has started up again for the year.** Thank you to Trish and Mike for taking this. The Juniors are from 3:30 to 4:30pm and the Seniors from 4:45 to 6:15pm.

## The Puzzling World Junior Challenge 2020

<https://mailchi.mp/9de092b14941/last-chance-to-enter-integrity-homes-challenge-wanaka-2681421?e=58dfc8a442>

Over one thousand Junior triathletes descended on the Challenge Wanaka today, bringing their determination and fun to the course. The young athletes, aged from Year One to Year Six, completed various lengths of the course depending on their age but all with a smile. The majority of the athletes came from our local Wanaka and Hawea primary schools, but a number came from further afar to join the party. It was an absolute delight to host these impressive athletes, see the video above and images below for the highlights of the day!

Tomorrow's action starts at 6:45am on the Lake Front with the professionals followed by hundreds of Age Groupers racing in the Challenge Asia Pacific Championships and Garth Barfoot Aqua Bike.

Remember to download the app, search for your family and friends and press follow. You will be updated to their progress with push notifications if you have them turned on. Plus we have predicted timing this year so you can work out where you need to be to cheer them on. And if you are a competitor you can take a selfie with the app at the end of the race with your split times overlaid how cool is that!

Our Expo is full of awesome triathlon and sports merchandise with some fantastic offers and bargains to be had. So don't miss a bit of shopping, coffee and an ice cream while you wait for your friends.
