School News

Lisa is taking Yoga with the children this term and today both classes had their first session. We would like to thank Lisa for coming in to do this for us.

This year, the Junior Room children will participate in 3 ice skating sessions beginning on Friday 19th June. We will need to be leaving school at 12:00pm. Transport forms will be sent out later this week.

We have organised for hot lunches to be available at school on Tuesdays for the remainder of the term. Next Tuesday, we will be serving Gorette's famous Spaghetti Bolognese that all the children seem to love! Thank you to the PTFA for agreeing to fund this initiative.

Please have a search around home for any Junior Reading Books that need to come back to school and return these to us as soon as possible.

We have reminded the children this week that they need to push their bikes across the road when they are leaving school in the afternoon.

The Ministry of Education has requested that we advise parents they are asking all schools to submit their attendance data to them weekly at the present time. The reason for this is that they want to find out which groups of students and schools have been affected by the lockdown, so they can work out where extra support may be needed.
