**September**

**BOT Meeting**

**School Bus**

The speed limit for passing a stationary school bus in either direction is 20km/hr

**Term 3**

**Ends**

**27th**

**September**

## School News

**Welcome** to our new Year 6 student CJ who started at Glenorchy School last week. CJ has come from St. Josephs' School in Temuka and is settling in well to the Senior Room.

**We are planning to have the Glenorchy School Cross Country out at Paradise this Friday (23 August) weather permitting.** We are aiming to leave school at 11:00 am. Please let the school know if you need us to arrange transport for your child to get out there. The postponement day is Monday 26th August. Make sure your child/children wear proper footwear as well as have a warm jacket for afterwards.

Due to Cross Country on Friday, there won't be Friday lunches this week. However, we will have a sausage sizzle for a gold coin donation out at Paradise, or at school if the Cross Country is postponed.

Tomorrow afternoon, both the Junior Room and the Senior Room will be learning how to knit. If you are able to help us out with this, please come along at 2:15pm. The more parent helpers we have, the smaller the groups can be!

**Congratulations** to Hazel, Sadie and Ruby who all competed at the Central Otago Cross Country in Arrowtown on Wednesday 14th August. Ruby was part of the Wakatipu team who won the Year 8 Girls Team trophy. We have the trophy displayed in the school office. Well done girls!

### Student of the week:-

Week 3	James - for being a super independent learner.	Caitlyn - for showing greater persistence with her work when she is challenged.
Week 4	Max - trying really hard and making super progress with his reading and writing.	Hazel - making a consistent effort with her learning and taking on board advice to help her consolidate her learning.

**Paula, Nicole, Courtney & Gorette**

# QUEENSTOWN FUNDING CLINIC

Looking for funding for a community project?  
Not sure where to start and have a few questions?  
Come and meet your local funders & discuss your  
project.

**Tuesday, 20 August, 2019**

**1:00 PM - 3:00 PM**

**Queenstown Events Centre,  
Jo O'Connell Drive, Queenstown**

**To register your interest email

QUEENSTOWN  
LAKES DISTRICT  
COUNCIL

TE POU ARATAKI PŪNAMA O MURĀKŪ

Hi, I'm John Glover and I'm asking for your vote to help me form a council that puts us - the community - first, rather than playing second fiddle to the developers and tourists. Rapid growth around the Wakatipu has been at the expense of our communities and we need to start to regain control of our district for our future wellbeing.

We need well informed, articulate and confident councillors to ask the right questions on our behalf and not simply accept the 'we need to grow' dogma. I have those attributes, would bring a strong community voice to the table and would be proud to use Glenorchy's vision and values as an example of how to protect what is precious.

Council has allowed rampant development, but in many places, local Community facilities such as halls, reserves, leisure facilities and shops are lacking and the gridlock is evidence of the urgent catch up needed on transport planning.

For our wider wellbeing we need to act on the climate for our children's sake, if not our own. I would incentivise carbon reduction and ensure we offset as much as possible in the short term. Local food production, market gardens, and energy farms which will help balance our economy should be our future focus.

Queenstown airport makes a decent profit as it is and I see no need for it to grow. It serves our purpose and if more regional capacity needed, let's use Dunedin and Invercargill. Investing in carbon tourism isn't good for our future.

For more information find me on Facebook or email [JGforQLDC@gmail.com](mailto:JGforQLDC@gmail.com). Don't forget to vote!
