School News

As this is the last newsletter for the term we want to take the opportunity to farewell the Mason family from Glenorchy School and wish them all the best for the future. Thank you Kay, Olly, Sadie, Hazel and James for all that you have contributed to the school community over your time here. You will all be missed.

We have one more major event on the calendar this term and that is the Planting of Trees on the Boardwalk on the last day of the term 3. We would appreciate as much support from parents as possible with this. Please be at school at 11:00am. Dean will be here to talk with us about what we need to do, then we will make our way over to the Boardwalk. Please remember to bring spades and gloves with you if you have them. Gorette is organising a sausage sizzle for the conclusion of the planting.

Anita has started back coming into school one afternoon a week to work with our children in the garden. We'd also like to thank Caro who came in with Anita last Wednesday to help both classes plant seeds.

We would really like to get the children to plant some native trees in Rod's Rest area to fill in that space. If you are in a position to be able to donate a native tree so that we can do this, we would really appreciate it. Please let Gorette or Anita know if you can help. Thank you.

As part of the Government's response to Covid-19, A Social Worker in Schools (SWIS) has been appointed to the Wakatipu Basin Schools. Fiona Stephenson has been appointed to this role and you may see her at Glenorchy School on Thursday mornings. Her job is to connect with the children, staff and families in the area and help with teaching programmes as well as link us to any support services that individuals or families may benefit from in these uncertain times.

The Prime Minister announced yesterday that we will remain at Covid-19 Alert Level 2 until Monday 21st September. We have spent a substantial part of the term under Level 2 restrictions. While we were fortunate to get our school Cross Country completed as scheduled, the decision was made last week to cancel both the Wakatipu Zone and Central Otago Cross Country for 2020.

We hope you enjoy reading the class newspaper that the Senior Room has put together over the last few weeks. (attached as a pdf)
Remember that class photos are scheduled for
Tuesday 22 September.

Student of the Week

	Junior Room	Senior Room
Week 7	Tim - For having a great first week at school.	Jazmine - For amazing work on her newspaper article this week.
Week 8	Max - For having an awesome attitude towards reading and writing.	Caitlyn - For her effort towards constructing the 3D model of our classroom in maths.

Paula, Nicole, Courtney and Gorette

Wakatipu
Community
Foundation

Thanks to our generous donors, the Wakatipu Community Foundation has **granted over \$600,000 into the community** this year including supporting Wakatipu primary schools to **fund a counsellor for the next 3 years**. We were also able to grant \$70,000 to local schools, including **\$2,000 directly to Glenorchy School**, to support teacher and student needs during these challenging times. Please contact us to learn more about how you can join us to give back to the home you love.

Your community. Your legacy. For good.

Wakatipu
Community
Foundation

Your Community. Your Legacy. For Good.

Add the **Wakatipu Community Foundation** to your new or existing will with our partner law firms. Also, with new trust laws coming into effect, it is a good time to visit with your professional advisors to see if the Wakatipu Community Foundation can assist with the resettling of your trust. We invest and protect donations so they can grow and earn income that supports our community, for good. We make it easy for you to impact the community you love. **now and forever**. Please visit our website for a list of partner firms.

PRESENTED BY KATHRYN BERKETT

ENHANCING EMOTIONAL RESILIENCE

STUDENTS WELL BEING - PROFESSIONAL DEVELOPMENT

This seminar is suitable for both people who have heard Kathryn before and those new to her presentation.

Friday **18 SEPTEMBER**

4pm - 6.30pm

\$10 per person

Remarkables Primary School
49 Lake Avenue,
FRANKTON

This seminar recaps about the red brain / green brain balance and stress responses. Create a safe space for the red brain to relax.

What does this look like for the students we are supporting? Factors that can increase calm and safety - some you will have considered; others will highlight factors you may be missing.

What do 'multiple moments of tolerable stress' look like in a classroom setting? Who needs to be there? What does tolerable look like? What do we do when stress activates to ensure resilience builds.

Learn about these factors in an interactive and informative way.

RURAL EDUCATION ACTIVITIES PROGRAMME

PRESENTED BY KATHRYN BERKETT

BUILDING CHILDREN'S RESILIENCE

PARENT AND WHANAU EVENING

"Come along and learn about stress & anxiety and how you can help your children living in their busy world."

Friday **18 SEPTEMBER**

7pm - 8.30pm

FREE OF CHARGE

Remarkables Primary School
49 Lake Avenue,
FRANKTON

To understand why stress and anxiety are increasing, we first need to unpack how incredibly different this generation is to the last.

Learn what impact this difference is having on the development of children's emotional resilience. Through this knowledge, you can become more aware of how to increase the resilience of your own children.

The information will be easily understood and will make so much sense, you will wonder how you got by without it!
