What a great learning fortnight we have had. The Principals conference was inspiring and left my mind soaring with a multitude of possibilities.

The First Time Principals meeting in Dunedin was then a complete contrast and brought me back down to earth thinking paperwork and admin.

Helen has been off being musically inspired and is today on a course continuing her learning of 'Overall Teacher Judgements'.

Mr B continues with his gym regime to strengthen his leg ready for his return and ski camp.

This week marks the end of the Fun Friends and Friends for life programme – it would be good if parents could feed back about how they found the programme and if the homework was useful. Please email me with your thoughts.

The children are demonstrating their progress and working hard to complete work as we all start to collate data and evidence for the student led conferences on the 24th June. (Timetable for this will be sent out next week).

The Senior class have also been busy this term learning ball skills. We have had sport coaches visit every week to teach year 4's to year 8's. The students skills will be tested when they compete in the sports day in Queenstown on the 24th June. More information about this will be sent on to parents soon.

Harvey and Theo were in Dunedin last Friday having a ball at the Under 20 Soccer world cup being captain escorts.

Well Done you two!

Timo was also out and about mountain biking on Friday and had a thoroughly enjoyable day representing Glenorchy in Alexandra at the Top Bike Competition.

Well done Timo!

Wakatipu Ski Club - Coronet Peak

The Wakatipu Ski Club offers the best value Ski or Snowboard lessons with NZSki for children aged 4yrs and up and adults in the Wakatipu. Not only do you receive reduced prices on lessons the club also offers a family friendly, warm on mountain lodge with kitchen facilities and a playroom. You can hang out, relax and meet new people.

This year the club has waived the initial joining fee making it more affordable for all.
