The Soup is a hit, especially the Leek, potato and bacon. This week's soup is chicken and sweetcorn.

**Books:** - As we have been working so hard at school. Some of the students need new books – please check with your children to see if they need new 1B8s and glue sticks.

### Ski Camp

Ski camp this year is July 27<sup>th</sup> – July 29<sup>th</sup>. – We will need parent help, someone to organise meals and cook, transport and generally have a great time on the slopes with the students. Please note that limited parent numbers can attend.

Ski camp notices will be out soon as new health and safety means a bit more lead in time due to paperwork and safety checks.

### Juniors

The junior room is a happy place although slightly scary with the new dinosaurs they have created. They are loving dance and they have picked up the steps and are now trying to find the rhythm.

### Board Meeting
