## School News

We were really impressed with the musical ability of our Senior Room children at the Nukes Ukulele Workshop held at Shotover School last Tuesday afternoon. Following a one hour workshop, the Senior Room, along with small groups from Kingsview and Shotover School, performed to an audience of approximately 300 Shotover students. This was an amazing opportunity for our students to be involved in a practical Arts curriculum experience.

**Lyndal Blatch came out to Glenorchy School to work with both classes on Hockey skills yesterday afternoon.** She is going to come back next week to take one more session with them.

**Tomorrow the Senior Room are going up to ARO HA to look at their water conserving ways.** We were supposed to do this earlier in the term but had to postpone due to weather. Please wear suitable footwear and clothing. We will be leaving school at 10:45am and will return to school at 12:30pm.

**Seniors Ski Camp:-** A friendly reminder that ski camp permission forms are due into Gorette by Friday 28 June. The gear list will come home with the children next Friday.

**Board of Trustees:-** Therese completed her term on the Board of Trustees at the May meeting and we would like to thank her for all her hard work and support during her time on the Board. Sonya and Jenny are continuing as Board members because the number of nominations at the recent elections equalled the number of places available. Welcome back Sonya and Jenny! Our next Board meeting is Wednesday 26 June.

**We would like to remind everybody again that the speed limit when driving past a stationary school bus is 20km an hour. Please be mindful of this to ensure our children's safety.**

## Student of the week
