School News

A very big welcome to Tim who started at school today. He joins his big sister and brother, Pippa and Max in the Junior Room.

We are still at COVID-19 Alert Level 2. This means that If you need to come into the school buildings please enter through the main doors and sign in at the office with Gorette. A QR code is displayed on the office window also. If you are collecting your children at 3:00pm, please meet them at the school gate.

Being at Alert Level 2 has also meant the postponement of the Wakatipu Zone Cross Country. A new date has not yet been set for this as the organisers are waiting until we are back at Level 1.

Our Teacher Only Day last week provided the staff with the opportunity to work collectively on our school curriculum development plan.

A further two Teacher Only Days are planned for next term to advance this work. These dates are **Friday 23 October** and **Monday 16 November**.

The work on the Multi-Purpose Classroom is progressing well.

Please continue to be aware of the extra hazards around the school at this time while the work is completed.

As mentioned in the last Newsletter, on Friday 25 September we will leave school at 11:00am to go and plant trees on the Board Walk with Dean Fitzpatrick and DOC. We would appreciate as much parent support as possible on this day, so please mark it in your diary now. Gorette will set up the BBQ down there for a sausage sizzle lunch with the children and parent helpers.

Kelly is going to take Class Photos this year on Tuesday 22 September.

Student of the week

	Junior Room	Senior Room
Week 5	Alex - For consistently doing the right thing and listening straight away.	Sadie - For always putting her hand up to help out when needed.
Week 6	Samara - For writing impressive stories all by herself.	Archer - For taking his time to complete his bird art to a high standard this week.

Paula, Nicole, Courtney and Gorette

- Sienna, Max, Bella

How Can we help

- Plant trees

- Recycle

- Rubbish clean
up

- Use honey rap

Wakatipu Park and Ride Services

Options for the future

Have your say at

Wakatipu Park and Ride Services

The Way to Go group made up of Queenstown Lakes District Council, Waka Kotahi NZ Transport Agency and the Otago Regional Council are exploring options for future Park and Ride services in key locations around the Wakatipu basin. This will play an important role in improving the wider transport network and providing local and visiting drivers with safer and more convenient options for getting around the basin.

It's early in the process but we've landed on a short list of possible locations for future Wakatipu Park and Ride services. We'd now like to test these options with the community to help guide our next steps. Feedback is open and will be received through an online survey up to 21 September 2020.

Your feedback is important - have your say today!

>> [Read the engagement document\(External link\)](#)

Then complete the online survey below by 21 September 2020.

We are currently working through the logistics of hosting 'pop-up' stalls while still in Alert Level 2. We'll keep you updated on plans for this.

More information and the survey can be found here:-
