At this point of time, the letter on the ticket is not related to a particular horse. Prior to the race the horse number relating to the ticket letter will be announced. All bettors must be 18 years or over.

PAYMENT OF DIVIDENDS

Dividends only paid out to 1st place winners. Holders of dividend bearing tickets must present them for payment of dividends immediately after each race, to the payout windows at the tote tent. Dividend bearing tickets will be paid today only and no claim on tickets not collected today will be recognized.
