

# CALL FOR VOLUNTEERS

The Glenorchy Community Association is calling for volunteers to help with community tree planting at the entrance to Glenorchy (opposite the Glenorchy sign).

This Labour Weekend we have a day allocated for planting 100 native plants, and we need lots of pairs of hands to get the job done. We'd be very grateful for your help, so bring your gardening gloves and a spade and join us on Saturday 24<sup>th</sup> October.

## **NATIVE PLANTING**

10.00am Saturday 24 October

Postponement date is Sunday 25 October
