

Dinner & Movie NIGHT

Join us on Thursday 27th January for our monthly Movie & Dinner Night. Enjoy a delicious meal cooked by the former founder & chef of Arrowtown's Saffron Restaurant and the beautiful movie Daffodils, a New Zealand love story unlike any you've ever heard.

Chef Pete Gawron will be preparing a delightful 3-course dinner from the freshest of the season, including herbs and produce from our own kitchen garden. Arrive early for a little catch-up with friends, then sip and savour some of Central Otago's finest, presented family-style.

This is a mid-summer evening treat: grab your partner or get the girls together for a fabulous evening of delicious food, wine and love. Get your booking in [HERE](#) now!
