Wednesday 13 May

7pm - 8:30pm

WHERE

The Rees Hotel

Queenstown

HOW

[Register via Catalyst's Humanitix Page](#)

Koha to Institute for Democratic and Economic Analysis

Winston Churchill once described democracy as perhaps “the worst form of government, except for all those other forms that have been tried”.

So how, in this era of declining public trust and polarised politics, could we do democracy better?

Iain Walker, executive director of Australia's newDemocracy Foundation, has spent the past decade empowering communities through practical alternatives to adversarial politics. Come join the discussion.
