

## The Godfather of Human Rights, Battling Abusive Governments

**WHEN** | Monday 23 February  
7pm - 8:30pm

**WHERE** | The Rees Hotel Queenstown

**HOW** | Register via Catalyst's  
Humanitix Page  
Koha to Human Rights  
Watch New Zealand

Nearly 30 years on the front lines battling abusive governments – from Syria to Sudan, Eastern Europe to the Middle East – has given former global head of Human Rights Watch Kenneth Roth plenty of time to analyse what works to protect human rights.

He will share his strategies as we discuss the global challenges of today, and what can be done about them, at our February Catalyst Kōrero.

Moderated by Queenstown's own longtime human rights advocate, Brigid Inder.
