

Casual meeting notes from GCA catch up 13th June 2018, hosted at Will's house 7:30pm

PRESENT: J Glover, W McBeth, S de Reeper, D Jones, R Bakhuis, M Hasselman, N Coates

*First get together of newly elected GCA committee for 2018/19 year, to discuss plans for the year, ongoing issues and longer term plans. This is a rough account of topics discussed:*

Bio security.

- M-Bovis concerns for the farming community
- Hedgehogs making their way closer to the head of the lake
- Horse movements in and out of the head of the lake
- soil contamination risks
- Huss to take lead and learn more about issues, MPI, Fed Farmers

Planting at Waterfront

- Sam to get more trees/more trees needed

Council long term plan

- 28th June meeting will confirm what made it into the LTP

Bennetts bluff

- Site meeting planned for 27th June.
- Doc is aware of council plans
- John replying to council confirming 4 GCA attending

Relationships

- Danelle- need to develop how we connect and interact with the community and external stakeholders

ORC

- trying to plan for an ORC drop in session in GY and perhaps set it up to occur quarterly
- 6th July - meeting at Kinloch - counselors Lawton and Laws

Small Community Catch-up

- Council hosted event coming up in August

Cell Phone coverage improvement

- possible project to lobby for

Drinking Fountain

- un-chlorinated drinking source in village center - possible project to lobby for

#### Water tanks upgrade

- Need to get an update for works.
- Bible land still not acquired by council

#### Waterfront toilets

- Still no word on funding progress
- No progress on parking works

#### Tourism impacts

- Promoters of tourism are not always aware of the negative impacts of tourism
- Commercial rates could perhaps be examined
- Some in community feel they see no direct benefit from tourism

#### Drones

- Glenorchy is a no fly Zone due to proximity to an airport
- signage and education needed

#### Rubbish Bins

- Need signage at road ends and education for tourists
- use 'campermate app'
- Bin needed end of Oban st

#### Camper waste

- containment toilet disposal sites needed

#### Glenorchy community volunteers

- GCA should host a workshop to bring together all Glenorchy volunteer groups, to develop better relationships and sharing of issues.

Invite a representative from every Glenorchy community group and ask that they report on; What recent projects they have done, what they are currently working on, what are the big issues they are facing and what are their long term plans.

Invite Counselor Ferg.

#### suggested groups;

- |                          |                           |
|--------------------------|---------------------------|
| Church                   | Website group             |
| School Board of trustees | Fire Force                |
| St John                  | Rural Women               |
| Trails trust             | GY Business group         |
| Brew Club                | Museum                    |
| Sustainable Glenorchy    | Rees/Dart Wildlife trust  |
| Wyuna community          | Glenorchy Community Trust |
| Paradise Trust           | Play group                |
| Rugby Club               | Riding club               |

Glenorchy Property portfolio

Get better understanding of community properties

Pool

Needing to repaint this year. Approach Gerry

Reserve management plans

Check 10 year plan timing

GCA constitution and community engagement

Otago Chamber of commerce

Possible training available for upskilling GCA members

Wharf

Sam to make contact with Marty

Power generation

need update for community on emergency generator progress

Sustainable power concepts to explore - perhaps ask Sustainable Gy to adopt the issue
