

Casual Customer Service role

Dart River Jet and Funyak experiences are a unique combination of exciting braided-river jet boating, breath-taking scenery, Ngāi Tahu heritage and inspiring adventure - truly authentic expressions of everything that makes New Zealand an exceptional destination.

We are currently looking for Casual Customer Service stars with a passion for fun and the outdoors to join our team on a casual summer role basis.

You will have a high standard of customer care and a desire to provide our customers with the best possible experience (manaakitanga), attention to detail and great communication skills, and an ability to multitask and think on your feet.

We operate seven days a week so you will need to be available to work weekends and public holidays, if required. Full training in all aspects of the job will be provided, as will daily transport between Queenstown and our Glenorchy base, if applicable.

Dart River is committed to providing a safe and drug free workplace. The successful applicants will need to pass a pre-employment drug and alcohol test.

We offer an exceptional product and a wonderful team of people to share your day with!
