Term 4 Issue 2

1 November 2022

Several of our Year 5 - Year 8 students attended the Small Schools Triathlon on Wednesday 26 October. Congratulations to our Year 8 team (Ally, Malachi and Dylan G.) and our Year 6 team (Sienna, Pippa and TeAaliyah) who are going on to the Wakatipu Zone Triathlon on Tuesday 15 November.

On Thursday 27 October Glenorchy School participated in the Great New Zealand Shake Out Day. We held an earthquake drill at 9:30am in the morning at the same time as many other schools and businesses throughout New Zealand did. Unfortunately the wet weather meant we didn't hiko to the Bible as we had planned to, and will now do this at another time when we are able to fit it into our timetable.

A reminder that all our Year 4 - Year 8 students will attend the Science RoadShow in Queenstown on Monday 7 November. Thank you to all those Year 4 - Year 8 parents who have replied to the email sent out over the weekend indicating whether you are able to provide transport. If you haven't replied to this email, please do so as soon as possible as we still need one more parent help for this.

This is advance notice that teachers in our school will be attending a paid union meeting on Tuesday 22 November to discuss the progress of negotiations for their collective employment agreements, the proposed unified public service pay offer and their Wāwāhi Tahā | Time 4 Tamariki campaign.

This campaign aims to win smaller class sizes, more support for high needs students, better recognition of cultural skills, greater job security for our essential relievers and to fairly value and recognise the work of teachers.

Glenorchy school will aim to ensure the least disruption to children's learning while upholding the right of teachers to participate in their union meeting. We will remain open on Tuesday 22 November, but the normal classroom programme is not likely to resume until the afternoon block due to the travel time involved.
