Tom & Baxter start school

Welcome to Ilana Baker who started school this week.

I can't believe we have come to the end of another term already. This term has been very productive the students have experienced so much.

We have read and written instructions, created and analysed statistical data, run, danced, sung, acted, collected eggs, planted seeds, planted trees, planted vegetables, painted, skied and experienced the building of new relationships with people from the community.

During all this a number of the school went down with the flu and yet somehow we still managed to have everyone well on the night of the show.

No wonder we are all so tired.

**Glenorchy Fishing Competition 3<sup>rd</sup> October** – the prizes that have been donated are amazing so get out there and hook a winner. Thanks to all those who have donated time, goods or are diligently working behind the scenes to make this event happen.

Parents, can you please drop off prizes a.s.a.p. to the school before this Friday or drop them off to Gorette/Sonya. Also, we need parent help on Saturday the 3<sup>rd</sup> at the hall with BBQ, weigh-in etc.

**Glenorchy Flower show at the hall on the 10<sup>th</sup> October** – the students have written Glenorchy Poems to share with the community at the flower show and some art will also be exhibited. Get in behind this event and create your work of art during the holidays. Doors open at conclusion of judging, approx. 2.00pm

Afternoon tea and prize giving at 3.30pm

ADMISSION: \$5.00 (includes afternoon tea)

### **School News for Term 4:**

We wish Ann Margaret all the best with her new Endeavours. We welcome Gorette as our new Secretary.

Term 4 looks as if it will be just as exciting as the previous 3.

School starts back on Monday 12<sup>th</sup> October with new entrants Tom and Baxter starting school. Cricket coaching also starts on day one, culminating in a tournament later in the term.

New Zealand Shake out drill – Earthquake awareness is on the 15<sup>th</sup> October so Term 4 will be getting off to a shaky start.

ERO are visiting us 2<sup>nd</sup> – 4<sup>th</sup> December.

We will have our Green/Gold Enviro day on the 7<sup>th</sup> December – all hands on deck for this day, it will be a great opportunity to see how far the school has come and set some strategic enviro goals for the future.

Prize giving will be 10<sup>th</sup> December and the last day of school is the 11<sup>th</sup> December.

Have a happy holiday!!!!
