End of Term.

Welcome Dave Waddell – The new teacher in the Year 4-8 class. Afternoon tea to meet and greet with Dave, his partner Jess and baby Harry is today at 3.15.

Glenorchy School is well underway and into the new term with gusto. We have been planting and re- potting madly with Dean ready to plant out the kowhai and the other native plants we are growing. These will fill our fence line, bring the birds back and give the bees somewhere to gather nectar.

The junior class have hundreds of sunflowers underway and these will be planted out very soon. This will mean that we continue to have a visual feast after the spring flowers die off.

Thanks Trudi for all the care and attention, our spring flowers are amazing.

school this term will see the students all playing cricket, with support of Sports Southland – Emma is coming up to coach our students. On the 19th and 20th November there will be an 8 aside cricket tournament in Queenstown. (more info will follow closer to the time)

Congratulations Aiden.

As you may have noticed - Rods Rest has appeared over in the spring garden by the boat. The beautiful kowhai tree was donated by Rod and the 'rest' has been created in his memory, recognising all the time and effort he put into the school and community of Glenorchy.
