## School News

Last Friday, Glenorchy School had a visit from Pip and Harold the Giraffe in the Life Education Trust van. The focus was on learning about friendships, resilience and conflict resolution. The Senior Room also learnt about feelings and emotions, and decision making. We are completing follow up activities in the classroom and there is an activity booklet being sent home that you can work on with your child. This will help reinforce the learning done at school.

We have two teams competing in the Central Otago Triathlon in Cromwell on Thursday 4 April. Good luck to the Year 7 Mixed Team of Toby, Ben and Sadie, and to the Year 6 Mixed Team of Nate, Finlay and Hazel.

This Thursday morning, a group of Year 10 students from Kavanagh College in Dunedin will be visiting Glenorchy School. They have a number of activities planned to do with our children based around the Maori history of this area.

It has been great to see the children's enthusiasm for the school garden lately. Thank you to Anita and Kay who have been working with the children in the garden throughout the term. Also, a big thank you to Sue and Jake from ARO HA who came to school earlier this term to show us how to make compost. We have been impressed by the responsibility the students in the Senior Room have taken in turning the compost and keeping records of the temperature the compost reaches.

**Student-led conferences** are on Tuesday 9 April. Please book in a time by filling out the sheet in the School Foyer. Alternatively, email Gorette with an approximate time and she will do this for you.

**The School Fair** is on Sunday 7 April. We appreciate all the effort the PTFA has put into organising this. Hopefully, the weather will be better this time around. We look forward to seeing you all there.
