WEEK 1

Ma whero, ma pango ka oti ai te mahi With red and black the work will be complete

Welcome back . This is the beginning of Term 2 and we have a very full term coming up. This term the focus is on Geology and how 'our place' was formed. We have a visiting Geologist coming, some excursions planned and some interesting ways to explore our rocky past.

There will be a small cost of \$10 per student involved in this unit to cover our expert advice, their travel and resources.

Yesterday you would have received a cheese roll order form, the Year 7 and 8s who are off to Dunedin to attend National Young Leaders Day. This day is set up specifically for Year 7 and 8 students as a source of inspiration and aspiration.

While they are away they are going to make the most of the trip and attend a number of other activities.

The students will be making the cheese rolls with Jenny and her secret recipe. They will be venturing with Pete and Jenny to collect pine cones for sale – this is very easy kindling so make sure you get in quick and snap some up.

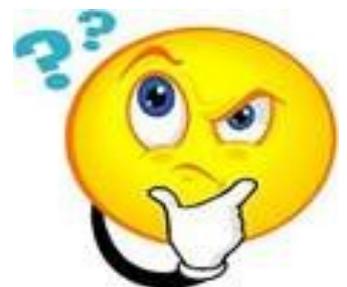

The Senior class students will be practicing winter sports with the Sport Otago coaches this term on a Friday afternoon ready to take on all the other schools in the Winter sports tournament in week 10. Parent help is always appreciated and it's a great day out.

Sunhats are no longer compulsory however should we be blessed with a sunny day we will bring them all out and pop them on.

Sickness

This term we traditionally have lots of coughs and colds, if your child is under the weather please keep them at home to try and minimize the spread of the dreaded lurgy.

The Staff are embarking on a Te Reo course this term and will be attending online seminars and working together to build their capacity as Te Reo teachers. We are always learning!

The PTFA are going to be running quiz night at the Lodge this term so look out for the flyers and get your team together.

Dates to put in your diary – more information will be sent out closer to each event.
