1:30—2:15pm

### Glo Show

6 July  
(to be confirmed)

### Term 2 Ends

8 July

## School News

Term 2 Issue 2  
17 May 2022

**Staff and students send our best wishes to Elijah for a speedy recovery.** Elijah is now recuperating at home. We would like to thank Grimmer, Rusty and the Otago Rescue helicopter crew for their coordinated response that day. We are very fortunate to have these people to call on when we need them.

**The Junior Room Ice skating programme begins on Friday 27 May.** Please return the transport permission forms completed on both sides by Friday 20 May. It would also be good if you could let Roshell know if you are able to take transport or need your child to be transported down so that we can make the necessary arrangements. Parents taking transport will need to be at school by 12:10pm so that we can be away by 12:15pm.

**Weather permitting,** we are planning to walk the boardwalk as a school on Monday 23 May as a shared experience for a writing prompt. Please ensure your child is wearing appropriate footwear for this.

**The Matariki new year is nearly upon us!** This year we will again celebrate Matariki at school by hosting you all for a Matariki Breakfast on Monday 27 June in the Tech Room at 8am. We are excited to be able to welcome you all back on site after such a long period of restrictions and hope that you can join us. The children are working on items to share with you all and there will again be light refreshments at the conclusion of the festivities.

### Student of the week

	Junior Room	Senior Room
Week 1	<b>Lucas</b> - For great leadership skills in the reading rotation groups this week.	<b>River</b> - For his consistent positive attitude towards his learning.
Week 2	<b>Cohen</b> - For great listening skills during science and being able to summarize night and day in his own words.	<b>Pippa</b> - For consistently striving to keep her work neat and tidy.

# CHAMPION YOUR NEEDS

## **Do you have a disabled child? Are you struggling to get what you need from education, health or disability professionals?**

Many parents and caregivers feel overwhelmed with the sheer number of professionals they need to communicate with in order to get the best for their disabled child or child with a health impairment.

This comprehensive workshop will teach you how to champion your needs in any setting. From assertiveness skills and active listening to negotiation and problem solving, you will come away with a range of new tools to effectively communicate the needs of your child, yourself and your loved ones.

You will also have the opportunity to learn what specific support services and resources are available in your region. Register today to secure your spot! Many thanks to W Duncan Bickley Trust Fund for supporting this event.

**Saturday 21<sup>st</sup> May, 2022**

**Details:** 9:30am—4:30pm | Southland Community House, 46 Kelvin St, Invercargill | Lunch provided

**Cost:** \$15 admin fee | Grants are available to cover this cost on request.
