School News

Our Year 7 and Year 8 students spent the day in Dunedin yesterday at the National Young Leaders Day. They learnt a lot about being stronger together which was the theme of the day. The group went down to Dunedin on Sunday morning and had a fun day exploring the city with Miss Kellet and Amber before attending the event on Monday. Thank you Amber and Miss Kellett for taking our Year 7 and Year 8's to this.

We have now started planning for the Year 5 - Year 8 ski camp which is being held from Wednesday 28 - Friday 30 July. Expressions of Interest are invited from parents who wish to be involved as parent helper and stay with us at the Southland Ski Hut.

Our 'Play Music' programme is underway in the Junior Room. There have been two sessions so far and the children are enjoying playing the new musical instruments. They are also learning a variety of musical skills such as finding the pulse and rhythm of pieces of music, and using their voices as an instrument for performing.

The Kapa haka programme is also up and running. This is a school wide programme and the children are learning some Maori waiata and how to do the actions that go along with the Waiata. We have been impressed with our Seniors who are really embracing the learning. We are looking forward to being able to perform our learning to you at future events.

The ice skating programme begins on Friday 4 June for our Year 1 - Year 4 students. If you are taking transport this week, please be at school at 11:45am. The Queenstown Ice Arena has advised us of new protocols and procedures to be followed this year, which Paula will go through before we leave on Friday. These include the children taking their skates to an allocated changing room to put them on, leaving bags in the changing room (not leaving them in the cafe area), and no outside food or beverages to be brought inside the premises.

We recently reviewed our school Evacuation Procedure and have made a change to the route we would take to the Bible if we needed to evacuate from the school in the event of a long, strong earthquake. Effective today, we will go along the main road and cut through the Alfred Terrace subdivision at Shiel Street. We believe that this is now the fastest way to get to higher ground than the previous route.

Student of the Week

Junior Room	Senior Room
Hunter - Being a great role model during our first "Play Music" lesson.	Jazmine - for consistently showing leadership and kindness towards her peers and younger students at Glenorchy School
Alex - For excellent participation in music this week.	Dylan G - For the effort he has put into his writing over the past couple of weeks

This year LUMA is in full swing, immerse yourself in illuminated art in and around Queenstown Garden, however we couldn't forget LUMIFY.

Naylor Love are in Cahoots with LUMIFY21, and with your help we are looking to bring the light home across Central Otago.

It's time to dust off the party lights, get creative with your family and friends, light up your neighbourhoods and create togetherness. Show us how beautiful and bright you can make your place.

There will be competition prizes galore, Keep your eyes peeled for how to be in with a chance to win on our facebook page <https://www.facebook.com/groups/542127203398085LUMIFY>.

It doesn't end here, we have a further surprise, LUMIFY is introducing

LUMIFY YOURSELF. Celebrate LUMIFY on Sunday the 6th June at the

Mad Hatters Tea Party and LUMIFY YOURSELF. We're looking for you to get creative, make the biggest and most elaborate hat that will be lit up by all the lights you can fit on it. Spot prizes will be given out to the most creative hats by The Mad Hatter himself if you can find him in the gardens with Alice, The Queen of Hearts and the White Queen.
