School News

Congratulations to Hazel and Sadie who represented Glenorchy School at the Central Otago Swimming Sports on Wednesday, 5 June. A special mention to Hazel who gained first place in the 9 Year Old Girls Backstroke race. Well done Hazel.

The Year 7 and Year 8's had a great time in Dunedin at Young Leaders Day. They got to listen to some inspirational speakers and gained some valuable insights into being an effective leader. Thank you to Sonya and Jenny for accompanying the group.

This morning we had a visit from former Glenorchy students Malcolm, Sian, and Sam, who came to school to talk to our Year 8 students about High School. The **Wakatipu High School Open Night** is on next week - Tuesday 18th June, from 4:30 - 7:30pm. More information about this is coming home with the Year 8 students today.

The Junior Room ice skating programme is underway and we have already had two of the six scheduled lessons. It is fantastic to see the progress from week to week as the children become more confident on the ice.

The new bike stand, made by the Senior Room and Chris, is completed and is now in use at school. It looks great! Thanks Chris for giving up your time to do this. It is greatly appreciated.

Next Tuesday, the Senior Room has been invited to participate in a Music ukulele Workshop at Shotover School. This will be followed by the students being involved in a mass performance with children from other schools in the Wakatipu Basin. We will be leaving school at 11:00am and the show finishes at 2:15pm. If you are able to help transport the children to and from this event, please see Paula or Nicole. We realise this is the same day as the High School Open Night, so there may be children who are going to stay down for this. Please refer to the information on page 2 & 3 of this newsletter about the Winter Festival Ukulele Workshop that your child/children may want to participate in once they have been to Shotover School next week.

We would like to remind everybody again that the speed limit when driving past a stationary school bus is 20km an hour. Please be mindful of this to ensure our children's safety.

Students of the week

Week 5	Lucas - working hard on your learning goals.	Archer - being positive about your learning.
Week 6	Connie - Being an enthusiastic learner.	Jazmine - setting your steps web goal and taking steps to achieve it.

UKES & THE NUKES

We showcase the finale of this project for you with a mass performance featuring all the schools, so bring the whanau down (and maybe a blanket) to support our local children and your fellow classmates in action as they show off their new Ukelele and performance talents. Following this the Nukes take to the stage to present their high entertainment show that is part vaudeville, part rat-pack, part musical car crash. This talented trio deliver an engaging mix of humour and originality that audiences love.
