**School News**

**One of the highlights of this term is the Senior Room Ski Camp.** We had three great days on the mountain in Week 1 and our Senior Room students were a credit to Glenorchy School. They managed themselves well, challenged themselves and improved their skiing skills. They were friendly, helpful and polite, and were a pleasure to be around. I would like to acknowledge the Central Lakes Trust and the Glenorchy School PTFA for assisting with camp costs, Gorette for preparing the food, and Sonya, Ann-Margaret, Sharee, Mike and Dave for being fantastic Camp Parents. Thank you also to the parents who came up for day trips and joined in on taking groups of children out on the mountain. Everyone's help was greatly appreciated.

**Thank you for attending the goal setting interviews last Thursday.** These interviews have given the children the opportunity to sit down with you and their teacher to decide on what their focus needs to be on for the next steps in their learning. Setting goals and knowing how to go about achieving them is an important skill to develop. Please check in with your child in the coming weeks and encourage them as they work towards their goals.

**If you are coming out to the Cross Country at Paradise tomorrow, please be at school at 11:00am as we will leave after the Morning Tea break.** The children will need suitable footwear, their drink bottle, some lunch snacks, and warm clothing to wear after the race. Gorette is organising a sausage sizzle as we did last year. This year we are hoping to finish with some games if the weather permits. If we need to postpone until Friday, we will send out a group text.

**Juniors dress up day on Monday**

The work on the multi-purpose room is underway and it is exciting to watch the progress being made on it. Please be aware of the extra hazards around the school at this time while the work is completed.
