Our Friday lunches are also going well. This week, the Friday lunch is a choice of a chicken wrap or ham toastie. Please put your order in on the form in the foyer. Menu attached.

Last week Toby, Matthias, Ben, Finlay and Hunter were fortunate enough to meet five of the current All Blacks who were in Queenstown on a promotional tour before they head off to the World Cup in Japan.

The boys participated in a skills session with the All Blacks as well as had an opportunity to be involved in a question and answer session. By all accounts, it was a very exciting day for them.

On Tuesday 10 September, our Year 7 and Year 8 students will be going into Queenstown for the day.

The Year 7's will be attending a Climate Change Hui at Queenstown Primary School and our Year 8's will be attending Maori Workshops at Wakatipu High School.

Thank you to the parents who have been coming in to help with the knitting on Wednesday afternoon. We are intending to continue with these Wednesday afternoon sessions until the end of the term.
