**21st to 24th  
October**

## School News

**Last week we sent home a notice with information from the Southern District Health Board's Medical Officer of Health.** Please ensure that you read this important information and take any actions in these advisories that may be appropriate to avoid the spread of measles. There are currently 21 identified measles cases in Queenstown.

**The planning for the Senior Room Camp to Naseby is well underway.** This is in Week 2 next term (Monday 21 to Thursday 24 October) - the week before Labour Weekend. Thank you to the parents who have indicated they are available to attend as Parent Helps. We will arrange a meeting with you shortly. Our children are currently completing art work and handwriting samples for the Glenorchy Flower Show which is being held on Saturday 28th September.

**This week is the last week for Friday lunches.** The Seniors are going to prepare tacos. Please put your order in on the form in the foyer.

**On Tuesday 10 September our Year 7 students attended the Enviro School Climate Change Hui at Queenstown Primary School.** The morning was spent doing science experiments and activities to help understand the effect climate change is having. In the afternoon they planted trees at the Matakauri Wetlands. The Year 7's found it an interesting and informative day.

**Kia kaha Te Reo Maori, Let's Make the Maori Language Strong was the theme for last weeks Maori Language Week.** Both classrooms focused on aspects of Maori language and culture in their learning programmes. The Year 8 children also went down to Wakatipu High School to participate in Maori Language and Culture Workshops. These were ably led by Wakatipu High School students and a great learning experience for our Year 8's.

**The end of term is approaching fast.** We will send home the Portfolio books on Thursday 26 September. These can either be returned by the end of the term or in the first week back in Term 4.

### Student of the week.

Week 7	Alex - Showing enthusiasm for learning to read.	CJ - being respectful by thanking the teachers and parents for helping at knitting.
Week 8	Connie - Being enthusiastic about her learning and trying hard with everything she does.	Alise - For her improved positive mindset during Maths

**Paula, Nicole, Courtney and Gorette**

## Queenstown Cricket Coaching Clinics

**Date:** Tuesday 1<sup>st</sup> October and Wednesday 2<sup>nd</sup> October 2019

**Venue:** Queenstown Event Centre (cricket nets)

**Time:** 9-3pm

**Age Group:** 8-12YO

**Cost:** \$60 per day

Differing from our holiday programs, this is a skills based program where players will have the opportunity to work on their techniques and focus on development. They will be working in smaller groups (maximum 8 per coach) to get the most out of their sessions. We ask that all players wishing to participate, attend with the understanding that we require complete focus and dedication.

### **Limited Spaces Available**
