15th December**

**School News**

**Term 4 Issue 2  
2nd November 2021**

**Thank you for supporting the School Working Bee on Sunday.** It was great to have so many there. A very big thank you to Anita for organising it.

**This Friday (5 November) we are planting trees along the BoardWalk.** We are hoping that as many as parents as possible can come along and help us with this. Please be at school at 12:30pm as the Department of Conservation staff are meeting us there and will run through what is required. Please bring along a spade if you have one. Instead of having a sausage sizzle as we did last year at the Planting Day, the children have ordered a pie for lunch from Monica. She will deliver them to school on Friday morning and we will have these before we go.

**Tomorrow Matty Graham and his team will be at school taking the Safe Biking programme with the Senior Room.** The Senior Room children will need their bikes at school. They also need to have returned their permission form to Miss Kellett.

We have been advised that the Wonderland Glow Show we had intended to take the children to in Queenstown on November 25th has been postponed until Term 2 next year.

**At the end of last term, the children painted beehives that are going to be over at Mrs Woolly's garden.** This Saturday the beekeeper is coming to deliver the bees. Katherine has contacted the school to say that the students are welcome to go there on Saturday morning as long as they are accompanied by a parent. Please meet at Mrs Woolly's at 11:00am if you are interested to watch the beekeeper at work. This should take about 30 minutes.

**Please note that Glenorchy School will be closed on Friday 12 November for the final Teacher Only Day of 2021.** Staff are using this day to advance their work and learning on student assessment.

**Student of the week**

	Junior Room	Senior Room
<b>Week 1</b>	<b>MacKenzie</b> - For taking responsibility for her learning by doing great research about kiwi.	<b>Baxter</b> - For showing responsibility by packing up the sports equipment without needing to be asked.
<b>Week 2</b>	<b>Cohen</b> - For trying really hard to stay focused on his tasks even when there are distractions around him.	<b>Izzy</b> - For making such a great effort and having a positive start in the Senior Room.

**Paula, Nicole, Roshell and Gorettie**
