#### Community Hall

19th December  
5pm

### Term 4 Ends

20th December

School Photos have been taken this morning through Photolife. Once you receive your shoot key, you will have two weeks to go online to make any purchases. We will send the link out to you as soon as we receive it.

**A very big thank you to the PTFA for organising Pet Day this year. The children loved showing off their pets and we were impressed with how much knowledge they had about looking after their animals.**

**Congratulations to Gorette who correctly guessed the number of jellybeans in the jar!**

**Last week the Senior Room were invited up to ARO HA to look around the amazing gardens and edible forest they are developing there. The children also had the opportunity to do some planting of their own and ARO HA kindly donated some plants for our own school garden. The children also participated in a fun peace sticks class taken by Damian. Thank you Sue for organising this for us. It was a wonderful experience.**

**The Junior Room** hosted our local Playgroup last week. Everyone enjoyed sharing some songs, stories and artwork. Thank you to the playgroup for providing the shared morning tea afterwards.

Due to the weather conditions last week, the Central Otago Athletic Sports was cancelled for this year.

We have welcomed back Emma Campbell from Otago Country Cricket who is coming out to Glenorchy School on Fridays to teach cricket skills.

On Thursday this week, we will have a **Firewise** presenter visiting school in the morning to talk to the children about keeping safe around fire. In the afternoon we are having students from Otago Girls High School visit to run an afternoon programme of cooperative games with our children.

This week, your children have brought home order forms for having their artwork put on a diary, notebook, calendar, cards and/or mousepad. They make great Christmas presents! If you wish to make a purchase, please have your order forms back at school by Thursday.

**Paula, Helen, Andrew, Jenny & Gorette**
