

ALWAYS WANTED TO SKI FAST? GIVE SKI RACING A GO!

Queenstown Alpine Ski Team offers a range of programmes catering for athletes from 8 years old through to elite. Our season long programme includes full time and part time weekend options.

Prospective junior athletes are encouraged to complete the NZSki Intro to QAST Programme as it allows both prospective athletes and families the opportunity to sample alpine ski racing before fully committing.

Discounted carry on pricing is offered to athletes who complete the NZSki Intro to QAST Programme and then move into the QAST season long programme.

For more information contact Bridget at admin@qast.org.nz
