

**Calling all available community members,  
we need your help!**

Glenorchy Playgroup is holding a brief but very fun photoshoot at the roundabout this **Tuesday 1 August, 11am** with our new fundraising sign for the ECE Project. We'd love you to join us in the photo if you can make it down. Sign sponsor Mitre10 Mega will share it on their social media and we'll use it to further promote the project and raise funds and awareness for the ECE.

The sign has received \$10,000 seed funding from the GCA and all recent fundraising totals will be added in the coming weeks. Sign artwork and logo imagery by Pauline Bouman, design work and photography by Susan Miller, printing sponsored by Made in Glenorchy, materials supplied through a Mitre10 Mega Helping Hands Grant.
