

# Kia ora!

We hope you're keeping warm as the temperatures start to drop this week!

In today's newsletter, we're featuring a great New Zealand brand that is new in-store, and a special offer for you. There is also an overview of the new trail proposed by the Glenorchy Trails Trust, and you'll find tomorrow's food truck menu at the bottom.

**Mrs Woolly's General Store opening hours next week:**

Tuesday 20 April from 8.30am to 4pm

Sunday 25 April (Anzac Day) from 1pm to 5pm

Briarwood

## Briarwood Scarves

The Briarwood story began in 1992 when Ange Marshall returned from London piled high with way too many shoes and bags but also with a dream of making her own bags - high-quality leather bags that reminded her of what she had seen (and bought) in Europe but with her own personal 'signature.' This dream flourished as did the loyal followers and it continues today.

In 2015 Briarwood expanded again, now also manufacturing clothing. The love for beautiful fabrics and timeless wearable pieces soon created the same loyal following as the handbags.

We are very excited to be selling their beautiful scarves in-store. The designs are all unique and stunning. We hope you love it as much as we do!

**Mention this newsletter and get 10% off all Briarwood scarves.  
Valid until Thursday 29 April.**

These are some of the beautiful styles that have just arrived. More colours and styles available in-store! Come on in and check it out. Starting from \$99.

## **Glenorchy Trails Trust** **"What does it mean for me?"**

Camp Glenorchy is hosting a benefit concert on Friday 30 April with the talented Holly Arrowsmith to help the Glenorchy Trails Trust fundraise the remaining \$22,000 to complete the 1st km of a series of all-new trails linking Queenstown and the Greenstone Valley.

You might be asking yourself, what does that actually mean for you? Steve Hewland and Matt Belcher, founding members of the Glenorchy Trails Trust, explain that once completed, the trail will create a beautiful loop for walking, running, biking, and horse riding. The trail will be wide, flat, and family-friendly, resulting in a huge benefit for the community as well as tourists.

They explain that the first stage of the project will build a 1km shared walk/run/cycle trail that

---

will provide a link from the township of Glenorchy to Campbelltown, close to the Buckler Burn Bridge, at the entry to our town.

"This trail will become part of a larger loop that will include a new bridge to create access to the Whakaari Conservation area car park (stage 2), and then access the existing under utilised community recreational property on the adjacent Peninsula Reserve (stage 3). The Peninsula Reserve is a beautiful property owned by Council, that is available for walking, biking and horse riding" explains Steve and Matt.

We are very excited to help this project come to life. If you are too, don't forget to book your tickets to support this event. Come along and join us for a fun evening and an intimate concert at Camp Glenorchy.
