

Volunteer with SupportLink Wakatipu

Always wanted to offer some of your time on a voluntary basis? Now is the time!

We have a growing need in our community for volunteers to support older people in the Wakatipu Basin.

- Help us support independence with older people in our community.
- SupportLink is a community service that offers assistance to older people living in their own home.
- As a volunteer you can assist with transport to appointments, regular friendship or companionship, helping with the groceries or shopping.
- By volunteering for us, you can give something back to the community, learn valuable new skills & make friends.

Let's make a difference together!

Enliven is a service of Presbyterian Support Southland
