Jumping June

Our Jumping June programme comes to an end soon! It's been fantastic to see students developing their skipping skills and showing such enthusiasm throughout the month. We'll be completing the programme with school-wide skipping activities on the afternoon of Wednesday 25 June, and students are encouraged to wear **red** on this day to show their support for the Heart Foundation. We're proud to announce that so far we have raised **\$3524.00**—a huge thank you to everyone who has contributed!

Reports

Teachers will be sending home School Reports and Portfolios on Wednesday 25 June. We will follow up with goal setting interviews in Week 2 next term on Tuesday 22 July. Please note that teachers have started reporting against the new Maths in Year 0 - Year 8 and English in Years 0 - Year 6 curricula which are new this year, as per the Ministry of Education statement below..

Statement from the Ministry of Education on Reporting to Parents

As part of our focus on lifting student achievement we have introduced new knowledge-rich and intentionally comparable curriculum this year for Maths in Years 0-8 and English in Years 0-6, and Te Reo Rangatira Years 0-6 and Pangarau Years 0-8 wahanga ako.

This means we are currently changing from the old to the new curriculum. We want to acknowledge that schools and kura will only have been using the new curricula from the start of 2025, which includes new teaching methods and content.

Because of this you could see a change in your child's progress or achievement compared to previous years which may be the result of changes in the curriculum expectations for your child's year level. If you have concerns or questions about your child's achievement, we strongly suggest you talk with your child's teacher or kaiako. They will have used their own observations, classroom tasks and other tests to report on the progress your child is making.

Kindness Goes a Long Way

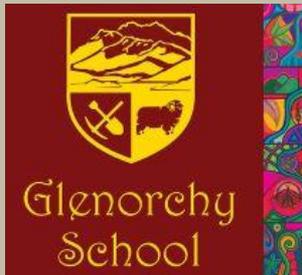

As we head into the final two weeks of term, things can feel a bit more tiring for everyone—students, teachers, and whānau alike. Our teachers are working hard to finish reports and keep things running smoothly, so we kindly ask for your patience and understanding during this busy time. A respectful word and a little kindness go a long way—thank you for helping us finish the term positively together!

We look forward to welcoming everyone back for Term 3 on Monday 14 July.
